Fiddlin' in Rochester
Thank God, She's a Country Girl
 By Kenneth J. Souza

At some point, every teenager goes through a music phase where they fantasize about becoming a rock star. Some easily gravitate toward beating the drums, others playing guitar — be it real or “air.”

Then there's Rochester resident and Old Rochester Regional High School junior **Tiffany Rozenas**, whose passion is playing the fiddle.

“I call it a fiddle, but you can call it a violin,” Ms. Rozenas said, noting that although they are the same instrument, the name denotes the style of music on which it is played. The guy in a tuxedo bowing the “Ode to Joy” from Beethoven's *Ninth Symphony* is decidedly playing a violin.

But this weekend Tiffany will be performing on a fiddle at two venues in her hometown: first, the Rochester

Above: The Mattapoisett Recreation Department will begin offering Irish Step Dance Lessons by Maureen Haley of the Haley School of Irish Dancing (pictured). The classes will be held on Monday, 4:00 to 5:30 pm, in the Center School Gym and are open to school-aged boys and girls from beginner to advanced. Classes begin on Monday, September 12. Please call 508-758-4100, extension 227, for more information.

Weekly Give Away

You can win one of our new Wanderer T-shirts. To enter simply go to *The Wanderer* web page at www.wanderer.com. Click on the Contest Link at the bottom of our home page and enter the contest code TS007. All you have to do to enter is answer the following question:

Where does the name *The Wanderer* originate from?

Good luck, we will select a winner from all answers received by noontime on August 26, 2005.

To enter through the mail, send your answer along with name, address and phone number to: *Wanderer Contest*, P.O. Box 102, Mattapoisett, MA 02739

Grange Fair on Saturday, August 20 at 4:30 pm and then competing in the Fiddle Contest at the Rochester Country Fair beginning at 1:00 pm on Sunday, August 21.

“It's a different kind of contest than what I'm used to,” Ms. Rozenas said, adding that she took First Place in last year's Ethnic category — playing her favored Celtic style — and Second Place in the Bluegrass competition.

Above: The Plumb Corner Annual Car Show and Swap Meet will take place on Sunday, October 9 from 11:00 am to 5:00 pm at the Plumb Corner Mall on Route 105 in Rochester. Vendors are wanted for 12' by 12' spaces priced at \$25 each. Music will be provided by Johnny Angel and Voices in Time. All proceeds from the event will go to Wish Come True, Inc. to benefit a local 13-year-old boy with leukemia. For more information, please contact Bev (508-763-5503); Johnny (508-763-0576); or Steve (508-326-0210).

On the cover: Rochester resident and accomplished fiddle player Tiffany Rozenas will be performing twice this weekend in her hometown. The Old Rochester Regional High School junior can be seen playing at the Rochester Grange Fair on Saturday, August 20 at 4:30 pm and then competing in the popular Fiddle Contest at the Rochester Country Fair beginning at 1:00 pm on Sunday, August 21. Having first picked up the instrument several years ago at the suggestion of a friend, Tiffany began taking more structured, classical lessons but soon found herself preferring the more free-form Celtic and Bluegrass styles of music.

"For me, (Classical music) was too strict, too structured," she said. "You need some structure, but it was too much for me. I learn by ear — I do read music, but I try to learn more by ear. I just think it sounds more traditional. If you read music, there's a certain way you have to play it."

Over the past few years Tiffany has blossomed into a well-known and highly-regarded musician, and has done well on the competitive circuit, while also performing solo gigs and with a group of other teenaged, Boston-based fiddlers called 5 AM. She likes playing a variety of musical styles but admittedly excels in Celtic or Irish fiddle music. Lately she's also taken to learning a Texas style of fiddle playing which is fast and upbeat — something akin to music played at square dances.

Between performing, competing and offering private fiddle lessons, Tiffany has just enough time to look ahead and hopes to continue with a possible career in music ... although she's planning on having a "backup" option, just in case.

"I've been looking into applying to Berklee (College of Music), but the thing about going to Berklee is then my whole life would be music," she said. "So I was

thinking maybe I should have a backup plan ... I don't know."

Just a quick glance at her regularly-updated website (www.tiffanyrozenas.com) is proof enough that Tiffany's life, at least for the time being, is all about music.

And this weekend, she'll be bringing it back home.

There will be a Bird House Building Contest, Frog Derby, Pie Bake-Off Contest, Antique Tractor Pull and Show, Car Cruise, and Bicycle Parade on Saturday, August 20 (just to name a few).

On Sunday, August 21 there will be a "Tribute to the Armed Forces" Theme Parade, Fiddle Contest, Garden Tractor Pull, Tub Race as well as other events. They will also be holding the Block Dance and Bon Fire on Sunday evening.

Patriotic Homes

Homes located along the Rochester Country Fair Parade Route will have the opportunity to participate in the Patriotic Home Award Contest. The Rochester Country Fair Committee encourages homeowners along the parade route to decorate the exterior of their home or yard with Patriotic Pride, Spirit and Creativity. Members of the committee will judge each home as they pass by in the parade on Sunday, August 21. The only requirement is that homeowners are asked to have their house address clearly visible for judging. Prizes, donated by Towne Pizza, Bev Loves Books, Mayflower Bank, Tina Denham, Hair & Body Solution, Movies & More, and the Plumb Corner Market, will be awarded to both the winner and runner-up of the contest. The winners will be notified by August 27.

From the Desk of Edward J. Haggerty, Sr., CSA

Integrated Solutions emphasizes ideas rather than specific financial products. We believe that with the right combination of strategies and concepts, you may achieve your financial goals knowing how to make sound financial decisions.

Four key areas to consider in your retirement planning:

- ***Taxes***
Finding the right type of investment demands a careful analysis of the tax implications of that decision. Integrated Solutions emphasizes that you know your marginal income tax bracket and calculate the taxable equivalent yield before you choose tax-exempt or tax deferred investments.
- ***Inflation***
The loss of purchasing power is a common lament of retired individuals. In order to maintain the value of your money, it is essential to calculate the yield on an investment after taxes and inflation. Integrated Solutions can help you understand that the real rate of return is the key to evaluating an investment.
- ***Investment Portfolio Management***
The keys to successful portfolio management are careful investment selection combined with a clear understanding of investment objectives. At Integrated Solutions, we help you to understand asset class selection (cash, equity, debt, fixed principal and tangible assets) and its importance to investment strategy and your personal ability to withstand risk.
- ***Outliving Retirement Income***
As life expectancy increases, so does your need to ensure that you will have the financial resources to live in retirement. By carefully examining your sources of income, Integrated Solutions can help you calculate retirement income and the ways you can help protect that income from unexpected expenses, such as long-term health care.

We offer a one-hour free consultation here in our office at Eastover Farm. To take advantage of this opportunity, call and schedule a date and time for us to meet and see how we can best be of service to you.

The fair opens, free to the public, at 1:30 pm. There will be baked goods on sale as well as gift items and things for the kids. At 4:30 pm local talent **Tiffany Rozenas** will entertain visitors with Celtic Music played on the fiddle. Tiffany is an award-winning fiddler that many of you may already know. If you know her, come enjoy her music again. If you don't, come to the Rochester Grange for a real treat. Following Tiffany's wonderful music there will be a Ham and Bean Supper at 6:00 pm. Tickets are \$6 for adults and \$3 for children under 10. Reservations are not a must but would help in planning. An Auction of fair produce will follow at 7:15 pm.

Anyone interested in entering the Fair may do so Friday afternoon between 2:00 and 4:00 pm and again in the evening starting at 7:00 pm until 8:30 pm. Anyone can enter the fair. You do not have to be a Rochester resident. If you can plant a seed or pull a weed or have a hobby you are eligible to enter. Ribbons and prizes will be awarded in each class. For more information, please call Sue at 508-295-8908.

The Rochester Grange Hall is located at 205 Hartley Road (bottom of Vaughan Hill Road) and only five minutes from the center of town.

Selectmen was called to order on Tuesday, August 16 at 6:00 pm by Chairman Stephen J. Lombard. Also present were Selectman Jordan C. Collyer, Town Administrator Michael J. Botelho, and Assistant to the Town Administrator Melody Pacheco. Selectman Raymond H. Andrews was not present for the meeting.

The board held approval of the August 2 meeting minutes until Selectman Andrews was present and then voted to proclaim October 24, 2005 as "United Nations Day" in Mattapoisett. They also voted to accept the resignation of Donna DeRose from the Mattapoisett Housing Partnership; voted to accept the resignation of Trenton Garde from the Mattapoisett Police Department, noting he was a fine police officer and would be sorely missed; and also voted to accept the approval of a Historic Preservation Restriction for the Jabez Goodspeed Homestead at 10 Pearl Street.

At 6:05 pm the board met with Harbormaster Steve Mach for an update on various summer activities in and around the harbor. Among some of the recently-completed projects: they have replaced the float at the bathing beach with help from Brownell's Boatyard; they are working with Fields Engineering to look at the wharves to come up with a ten-year repair and renovation plan; and, last but not least, they received their newly-purchased Harbormaster's boat last Friday.

"We're still outfitting it and shaking it down a bit," Mr. Mach said. "We'd like to thank Town Meeting (voters) once again for approving (the purchase)." As

such, Mr. Mach also asked the board to grant him permission to auction off the old Harbormaster's boat, which the board unanimously approved.

The other major ongoing summer project is the re-gridding of the mooring field in Mattapoisett Harbor, according to Mr. Mach.

"The first section of the (harbor) grid is done," Mr. Mach said. "We've picked up 30-plus moorings to date. That seems to be working out really well. Most of the response has been extremely positive. It's going to eliminate a lot of headaches for us. We know what's there and (the moorings will) all be correctly identified. We're going to start section two soon."

Mr. Mach also wanted to thank Arthur McLean

Animal Advice

Jay Gould, DVM

I found a baby bird on the ground. What should I feed it?

Baby birds are frequently found near their nests. If the bird has no feathers, try to find the nest and put the bird back. If the bird is mobile and feathered, keep dogs and cats away from the area and the mother bird will probably feed and care for it.

I thought that if I touched the bird the mother bird would smell my scent and would reject the baby.

That's an old wives' tale as birds have poor senses of smell. Allowing the mother to raise the young increases their chances of survival.

and the Mattapoisett Boatyard for their ongoing assistance with re-gridding the harbor. "He's been more than generous to donate the use of his time and men (to assist)," he said. "This would have cost us a fortune to do it any other way."

Mr. Mach said the gridding project should continue through the current boating season and into the next. At that time, he plans to take inventory of the mooring waiting list and give them the first opportunity at any new spaces which have opened up. After that, those with existing moorings who have requested a transfer will also be considered. "I'm anticipating that the transfer list will simply go away," Mr. Mach said.

To that end, Mr. Mach said the Mattapoisett Yacht Club had also asked him about offering a couple of moorings for visiting boats in the harbor.

"I'm not opposed to that, but I thought we'd offer something called a 'restricted mooring' to be used (as needed)," Mr. Mach said. "We could keep some of those locations open but issue a restricted permit ... it would totally be under the control of the town."

"I'm a strong advocate for the (guest) moorings ... I think three is a good number," Selectman Collyer said.

At 6:17 pm the board met with Millard Rose for a demonstration of the "Virtual Town Hall" website service. The company provides its own website software and server space specifically designed and allocated for municipal use. In fact, the company currently has over one-third of

the 351 cities and towns in Massachusetts as clients.

"I've used Virtual Town Hall in several municipalities," Chairman Lombard said. "It provides you with the opportunity to (post) the minutes of the meetings ... (and) all the boards should do that. The problem that usually happens is people aren't that proficient in getting their minutes filed. I think it's important to get information out to everybody relative to Town Meeting. We would have the ability to post (warrant) drafts which could be downloaded online. That would be my first (priority) to get done."

The estimated start-up cost for the service would be about \$9,300 initially, with an annual maintenance and licensing fee charged thereafter.

"A lot of cities and towns are using this service," Chairman Lombard said. "It's a proven product."

Mr. Botelho said they have money available within their operating budget to purchase the Virtual Town Hall service should the board wish to do so.

At 6:45 pm the board met with Bob Atkinson and Robert Cattley of the Mattapoisett Library Building Committee to discuss their revised and pared down expansion and renovation project.

"This is really a status report and I just want you to know that after a recovery period, trying to understand why we lost (voter support), we've developed a program which we think responds to the town's concerns," Mr. Atkinson said. "We've learned it wasn't so much anti-library

as anti-cost."

Mr. Atkinson said their key objectives here were to reduce the overall project cost to less than \$5 million; reduce the town's share of that to less than \$1 million (from the previously-requested \$1.8 million); and not raise the tax rate in the process.

"The bottom line is if we're successful at accomplishing this, we'll end up with spending much less money," Mr. Atkinson said.

Having gone back to the drawing board, as it were, Mr. Atkinson noted there were several changes and adjustments the committee faced, including: reducing the Library Building Costs by \$528,000 (9 percent); getting an extension of the previously-awarded state grant through

August 30; holding the previous contractor and subcontractor bids until September 30; getting an extension from the School Committee to continue using their interim space; and securing the USDA Community Development Loan at a reduced fixed rate of 4.125 percent, which is still available for the library project.

"As long as we have a plan that makes sense, they'll keep (our options) open," Mr. Atkinson said. "So, our plan is to go back before (Special Town Meeting) on October 24, 2005."

According to Mr. Cattley, they were able to shave some \$138,000 from construction costs, about \$190,000 of costs within the building, and cut their contingency fund in half, thereby saving another \$200,000.

"From the funding standpoint, we still have the \$1.625 million which has been privately raised, the state grant (in place) for \$1.575 million, and the \$500,000 allocated at the 2002 Town Meeting," Mr. Cattley said. "So now we're asking for \$919,394 (at the October 24 Special Town Meeting)."

Mr. Atkinson argued that if they simply upgraded the existing library to meet all the requirements of the Americans with Disabilities Act (ADA), it would cost the town an estimated \$890,000 out-of-pocket expense. For just about another \$30,000 they can renovate and expansion the entire facility.

After praising the library committee for coming back with a pared-down and more palatable funding request, Chairman Lombard countered the notion that he

was against "raising taxes."

"You said I don't want to raise taxes ... that's not true, I'm against *overrides*," Chairman Lombard corrected. "I just want people in this town to realize all the financial impacts that are hitting them. Nobody in this town has received their sewer betterment yet, and that's coming. On next year's tax bill, everyone's going to see the impact of the school bonds. I am not against a new library, but when I saw the (original) \$6 million figure, I was taken aback. Right now we're on a recovery period and trying to get back on track with spending in this town. In addition to that ... there's other issues coming before us like a new Fire Station."

Likewise, Selectman Collyer listed several concerns after reading the revised library proposal and questioned whether there were ways to apply for environmental grants and so-called "green" funds available to projects which incorporate environmentally-friendly aspects like solar heating and low-use water fixtures.

"One of the things we're going to do this time around is do a better job with educating the public," Mr. Atkinson said. "I think an awful lot of people didn't understand the whole ADA compliance issue and the fact that (the state grant) money, if it's not used, is going to disappear. It's a seven- to ten-year state deferral. People just think we'll be able to extend it ... and we won't."

"If (the library project) doesn't happen this October, it's not going to happen for a long time," Library Director Judy Wallace agreed.

Rochester Selectmen's Meeting

August 15, 2005

By Kenneth J. Souza

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, August 15 at 6:55 pm by Chairman Gary Laboa. Also present were Selectman Richard Nunes, Selectman Bradford Morse, Town Administrator James Huntoon, and Administrative Assistant Veronica Lafreniere.

The board first approved the minutes of the August 1 meeting and then met with Town Planner Randall Kunz to discuss a few "housekeeping issues."

Mr. Kunz first informed the board that Chris Faustino recently resigned from the Soil Board and they are seeking help from the Selectmen in filling the vacancy. Those interested in being considered for appointment to the Soil Board should submit a letter to the Board of Selectmen, c/o Rochester Town Hall, 1 Constitution Way, Rochester, MA 02770.

In addition, Mr. Kunz also discussed filling a vacancy on the Planning Board. They have received one application to date from Colin H. Kelly, but they would like offer others the opportunity to apply before making the appointment. To that end, those interested in applying

Mr. Kunz also informed the board about the need to update the town's Master Plan and the implementation of a phased development by-law.

"I just wanted that to be in the back of your heads," Mr. Kunz said. "I don't think there's anything for you to do other than add (an action item) to my list."

Mr. Kunz said updating the Master Plan to include a more controlled "phased development" would better prepare them for future large-scale projects like the proposed Striar and Lorusso developments, both of which have challenged the town's existing by-laws.

Although updates to the Master Plan require projected planning for future town growth, Mr. Kunz said he hopes the plan will be in line with other town entities.

"I'm really worried about offending the schools or the new water district because we might be promising things that they're not prepared to do," Mr. Kunz said.

At 7:15 pm the board met with resident Edward Zyskowski regarding town property on Pine Street which he formerly owned and still continues to farm.

"We have a situation where we have a private entity operating on a piece of town-owned property," Chairman Laboa said. "That might not be a good situation for the town. The town might have some liability issues."

Mr. Zyskowski said he was never informed previously that the town wanted him to stop farming the prop-

erty, and he felt it was better to keep cultivating the land than leave it to grow over and become a potential eyesore.

"I have about half of (the 20 acres) planted," Mr. Zyskowski said. "To me, it looks nice to see something (growing) there. It gives people more respect for the property. If people see crops there, they tend to respect that. I count on those crops for a portion of my income."

"We can give (Mr. Zyskowski) a license to use the property," Mr. Huntoon said. "We're not using the property now ... it's nice to see it being used."

Mr. Zyskowski said he does carry liability insurance for his other landscaping business and he suggested that might also cover the farming on the property in question.

**H. H. Rogers Community Park
5K Walk/Run & Kids FUN RUN**
sponsored by: Barley Family Health Care and
Rehabilitation

Come join in fun! We are combining the traditional competition and enjoyment of a 5K walk/run with the added bonus of a kid's "fun run". This unique day will be filled with excitement for all ages and all abilities. Preschoolers through the ages can come and enjoy themselves in one of the active and fun races. There will be obstacle courses, team relay races, as well as a traditional road race for the children (ages Pre-school up to 5th grade) and a cookout to wrap up the day.

Saturday, August 27, 9:00am - 1:00pm
Rogers Elementary School, Chestnut St.
Fairhaven

5K Race winners will receive: \$250 for 1st place Male/Female; \$100 for 2nd place; \$50 for 3rd place. The "Fun Run" will combine fun filled and challenging events. Place medals for all age divisions.

Fun Run and Obstacle Course start time 10:00-11:00,
Team Relay Race 11:00, teams of 4 within age

All events are age appropriate, and are designed for success and accomplishment for all \$12 for 5K, \$10 for **Fun Run** events.

Fun Run Events will receive: Ribbons for all participating runners. Medals awarded to 2nd and 3rd place and team relay winners. Trophies for first place finishes.

Any questions, please contact the event coordinator, Paula MacGregor @ 508-993-4487 or paulatarynm@oal.com. Go to www.jbrace.com to register online and get more information.

What a great way to start the school year, meet up with old school mates and have some great fun at the same time. ALL PROCEEDS WILL SUPPORT THE HENRY HUTTLESTON ROGERS COMMUNITY PARK RENOVATION.

Although the board seemed agreeable to this compromise, they still wanted to consult with Town Counsel to make sure they are legally covered.

"I think we need to ask (Town Counsel) ... to protect us from any liability issues," Chairman Laboa said. "We can make it an annual, renewable license. Obviously, someday the town might want to do something with the property, but until then we're not using it."

Mr. Zyskowski thanked the board for being so understanding and agreeable, adding he's one of the last farmers still working in Rochester.

"I'm the last of my line — after I'm done, I'm done," Mr. Zyskowski said.

Under the Town Administrator's report, Mr. Huntoon reported the town's insurance claims for the past 24 months have been running lower than overall Plymouth County claims, based on a recent audit. He also advised they need to appoint an employees' representative to serve on the Personnel Board. He suggested newly-hired Town Building Maintenance Mike Meunier might be a good candidate, but Chairman Laboa suggested posting the vacancy in the meantime.

Lastly, Mr. Huntoon said he talked to George Figuerido of Mount Vernon Architects and they have offered to draw up preliminary design plans for a possible expansion/renovation to Memorial School, free-of-charge. Mr. Huntoon said they can later bid on the project if they want since they won't be paid any compensation for the design work. The board seemed to think they should take

advantage of this offer and asked Mr. Huntoon to forward the information to the School Committee and School Building Committee for consideration.

In other matters, the board:

- Appointed George Randall as Assistant Wiring Inspector for the Town of Rochester, upon a recommendation from Building Inspector Robert Francis.

- Approved a Flammable Fluid Permit for Scott Ashley for two 500-gallon above-ground diesel tanks and one 300-gallon above-ground gasoline tank located at 125 Old Tuck Bog Road.

- Received notice from Covanta Energy/SEMASS of a Charity Golf Tournament to be held on Tuesday, September 13 at the Pequoy Brook Golf Course in Lakeville beginning at 9:00 am. The scramble format tournament will benefit "Homes for Our Troops."

- Unanimously voted to declare October 24, 2005 as "United Nations Day" in Rochester.

- Received a memo from Town Treasurer Naida Parker asking that all requests for transfers from escrow accounts be signed off by the board or commission responsible as of August 1, 2005.

- Discussed the possibility of constructing a covered pavilion either at Dexter's Lane or Mary's Pond which could be leased for weddings or other public functions. The idea was suggested by Selectman Nunes, who saw a similar structure at Francis Farm in Rehoboth.

"We could have the Highway Department construct it for as little as \$50,000 or \$60,000," Selectman Nunes said. "Then the town could recoup the cost by leasing it out."

"If we do it on Dexter Lane, it could be located near the ballfield, Senior Center, and Police Department," Selectman Morse said.

"I don't know if it would be a money-making venture for the town, but it could be self-sustained as a

"It wouldn't cost that much ... mostly just the materials," Mr. Huntoon said.

The board agreed to discuss this proposal further with members of the Recreation Committee and the Highway Department.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:15 pm.

including a brand new car; \$10,000 in cash; a three-day Bahamas cruise for two on Carnival; eight-day Scottish golf trip to Scotland; a new set of golf clubs and bag; and other prizes for closest-to-the-pin and longest drive. There are also hole sponsorships available for \$100 each.

A group of tri-town citizens purchased the used hockey boards and glass from Gallo Arena in Bourne. They have been fund-raising for the last three years to privately gather enough money (\$40,000) for the concrete and installation of the arena. It will be located behind Old Rochester Regional Junior High School and will benefit the Physical Education department and the ORR Junior and Senior High School sports teams, especially the ORR/Fairhaven hockey team, and the community at large. Roller Hockey, Arena Field Hockey, and Soccer, Basketball, Tennis and other sports can be played in the arena. The group prep is scheduled to start in September and the concrete pad is due to be installed in April 2006.

After the golf tournament, the group will have about two-thirds (\$22,000) of the funds needed for this privately-funded project. They plan to raise the remaining sum via arena board sponsors and a letter drive for donations. Donations can also be forwarded to the following address.

To sign up or for more information regarding board sponsors or donations, please contact **Jason Medeiros** at 508-789-3115 or **Rory McFee** at 508-758-9002. Please make checks payable to "ORR/JH Arena Fund" and send to: Rory McFee, 1 Mariners Way, Mattapoisett, MA 02739.

ATTENTION DRIVERS

If you are involved in a collision you have the right to have your investment, your vehicle, repaired at a shop of your choice. Your insurance company may suggest a list of repair shops. Do not be persuaded by this list, it is not a guarantee of quality of services, nor does it limit your options. You want a shop who will work for you and with you to put your vehicle back to pre-accident condition. **COLLISION SERVICES OF MARION, INC.** is a licensed, bonded, registered repair shop with the state of Massachusetts. We work with all insurance companies to expedite your repairs. The important thing to remember is we repair the vehicle for you, our customers, not the insurance companies. So remember, if the need arises, contact **COLLISION SERVICES OF MARION, INC.** to get back on the road.

News Submission Policy

The Wanderer gladly accepts any and all news and press release items from local non-profit organizations for publication on a weekly basis. The deadline for submission of said items is **Monday at 12:00 noon** for publication in that week's edition. Due to the increasing number of submissions, however, publication of press material is *never* guaranteed. *The Wanderer* will make every effort to publish timely news items and announcements as the subject warrants and as often as spacing allows. All press material must be submitted in writing via fax (508-758-4845), e-mail (news@wanderer.com) or mail (*The Wanderer*, P.O. Box 102, Mattapoisett, MA 02739), and must be typed or word-processed. *We cannot accept any handwritten material or news items via telephone, no matter how brief.*

Photographs of area events and newsmakers are also accepted and encouraged. *The Wanderer* accepts well-lit and clearly-defined color or black and white photographs for publication provided they include a brief summary of the event or subject. Due to processing and/or cropping requirements, we cannot return photographs. Please make sure you retain your negatives or have a copy made before submitting photographs for publication. Like news items, the deadline for photos is **Monday at 12:00 noon** and the publication of photographs is also subject to spacing constraints and therefore cannot be guaranteed.

All submitted copy is subject to alterations and/or condensation as space allows at the editor's discretion. All submissions become the property of *The Wanderer* and cannot

See you next year!

Mattapoisett Road Race Committee

To the Editor:

Over the past eleven years, the Town of Marion has awarded scholarships to 55 students of all ages, from local teens beginning college to older students returning for their degrees. To expand the reach and worth of these scholarships, the Marion Scholarship Committee is, for the first time, holding a raffle to benefit the scholarship fund. Winners will be drawn at the VFW Block Party on August 27.

Three fabulous prizes are up for grabs. First prize is five tickets to the September 18 Boston Red Sox game with the Oakland A's; second prize is a round of golf for four with carts at Acushnet River Valley Golf Course; and third prize is two hours of tennis time at the Marion Indoor Tennis Courts.

Tickets are \$5 each, but a book of five sells for \$20.

Tickets are on sale at Marion Town Hall, the School Office at Old Rochester Regional High School in Mattapoisett, and The Book-stall on Front Street in Marion. In addition, committee members will be selling tickets August 20 in the parking lot at the Marion General Store and during the August 27 party.

The scholarship has always been generously supported by Marion taxpayers, who can make a tax deductible donation of any size with their quarterly tax payments or at any other time. This year, four town residents received \$300 scholarships. For further information, please call Town Clerk / Treasurer / Collector Debra Blanchette at 508-748-3505.

Sincerely,
Debra M. Blanchette

Marion Antiques Show

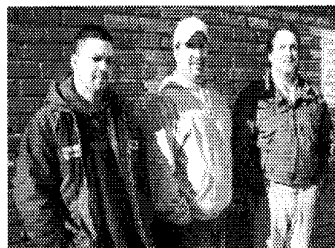

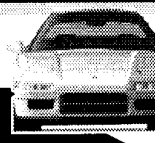

The Marion Antiques Show will take place on Saturday, August 20 and Sunday, August 21 in the air conditioned exhibition hall at Tabor Academy in Marion. Tickets are \$8 per person and show hours are from 11:00 am to 5:00 pm daily. All proceeds from the show will benefit the Sippican Historical and Preservation Society.

The Marion Antiques Show has been called "The Little Gem of New England," since it offers quality antiques in a wonderful setting for all types of buyers. This is the 13th anniversary of the show and it promises to be the best ever!

This year's show includes a total of 70 dealers from all over the eastern seaboard. These dealers will exhibit 18th, 19th and early 20th century furniture, Americana, Oriental rugs, folk art, silver, jewelry, maritime objects, paintings and prints, rare books and Quimper pottery. The front entrance to this year's show will once again be designed by Eden Landscapes with a "Windows of the Past" theme.

A Gala Preview Party will be held on Friday evening, August 19, from 5:30 to 8:30 pm. Enjoy an evening reception complete with hors d'oeuvres and entertainment. Preview party tickets are available at four locations in Marion: The Bookstall, China Trader Antiques, the Sippican Historical and Preservation Society, and the Marion Antique Shop, or by mailing a check to the Marion Antique Show, P.O. Box 1, Marion, MA 02738. Tickets will

Laser Treatment of Spider Veins

Spider veins are networks of small veins in the skin. While some people do report that the veins are uncomfortable, causing a burning or itching sensation, they are in no way dangerous. Spider veins do not cause a disability nor are they indicative of any other disease. As such, no insurance covers their treatment--it is considered a "cosmetic procedure".

That said, most people who have extensive spider veins truly hate them. They are easily treated with laser or with injections. Neither of these treatments will totally eliminate Spider veins forever but either treatment will diminish them a great deal. New Spider veins will reform at the same rate as before. In other words, if it took ten years to develop your current spider veins you will most likely develop the same amount ten years from treatment.

For the past year I have been performing laser treatment of spider veins in my office at Wareham Surgical Associates. I, and more importantly my patients, have been very happy with the results. Most people require two to three treatments at one-month intervals. Laser treatment is not painless--most patients describe the treatment as being snapped with a rubber band several times.

After lasering, the treated areas form welts that might feel irritated for a few days. I suggest using a moisturizer, such as Aquafor, for comfort. It is important to avoid sun exposure following treatment, I recommend using Sunscreen 30 or higher when outside.

In addition to spider vein treatment, the Lasers I use can be used to treat facial veins, Port Wine stains, cutaneous hemangioma, acne and for facial hair removal. If you are interested please contact me:

Marion Band Concert

The Marion Concert Band will present a program of music from England on Monday, August 22. The program, which features several classic British Brass Band pieces, is as follows: *National Anthem*; *Knightsbridge March* - E. Coates; *Crown Imperial* - W. Walton; *A Touch of Tuba* - A. Dedrick (featuring Edward Moon, tuba); *Lincolnshire Posy* - P. Grainger; *First Suite for Military Band* - G. Holst; *Pomp and Circumstance* - E. Elgar; *Prelude, Siciliano & Rondo* - M. Arnold; and *Colonel Bogey March* - K. J. Alford.

Edward Moon played with the Navy Band in Washington, DC for 16 years. During that time he served as the section leader and the tuba soloist. He has been a member of the Marion Concert Band since 2001.

The concert will be held at Browning Stage (outdoor stage of the Fireman Performing Arts Center at Hoyt Hall) on the campus of Tabor Academy, 235 Front Street in Marion. The program, under the direction of Tobias Monte, will begin at 7:30 pm. All concerts are free and open to the public.

Your Questions on Dental Implants

Q How long will dental implants last?

A How long do teeth last? They should last a lifetime. However, we can all cite examples where an individual has "outlived" their natural teeth. Most dental problems today stem from improper home care or the delay in getting necessary treatment. The same holds for implants. With proper care and routine dental check-ups they should last a lifetime. No one can give guarantees because any individual's general health depends upon many factors which are beyond the control of their dentist. Nutrition, oral hygiene, genetics, systemic diseases (such as diabetes) can all have an effect. So the answer to this question is that no one knows how long each individual dental implant will last. Long term success can be influenced by the way you live and the quality of the dentist who does your implants. These things can tip the scales in your favor.

Building a Healthy Community
at
Marion Family Chiropractic

Step into the reception room at Marion Family Chiropractic, and you will see something special is happening there.

You will see a pregnant woman who's been told her back pain is "a normal part of pregnancy" – but now, a few weeks into her chiropractic care - and despite her growing size - her pain is gone.

You will see a newborn infant whose parents brought him in to check his spinal alignment so that he will function and grow to the best of his innate ability.

You will see a mom who has brought in her daughter who spends most of her time sick with respiratory and ear infections – the mom is looking for an alternative to help get her daughter off the cycles of antibiotics and steroids she's been taking.

You will see a dad who brought his son in because he has been given the diagnosis of ADHD. The dad read a study that shows that chiropractic care might help his son.

You will see an elderly neighbor who had sciatica, and had been told that with her degenerated discs and osteoporosis, there was nothing anyone could do. She's now feeling better than she has in decades.

You will see an office worker who came to the office for pain between her shoulders. Her pain has disappeared – and so has her acid reflux.

You will see a construction worker who had suffered through his heavy work for years, and finally has decided to take care of himself and live pain free.

How does chiropractic care work well for so many different people?

"More than anything," Dr. Alicia Crabbe explains, "chiropractic care is about allowing a person – from infants to seniors – to express their best health."

Chiropractors correct vertebral subluxations, tiny misalignments or dysfunctional vertebrae in your spine that interfere with the optimal performance of your nervous system. The nervous system is key to communication in your body, and it must be clear of interference for you to function and feel your best.

MOVIE REVIEW

Voodoo Child

By Rob Gonsalves
<http://robsreviews.cjb.net>

***The Skeleton Key*. Starring Kate Hudson and Gena Rowlands. Directed by Iain Softley. Running time: 104 minutes. MPAA rating: PG-13.**

It's a measure of the sad state of horror movies that the first major voodoo film in almost twenty years is another bland PG-13 "thriller" with a big-deal twist ending. Something must've been in the air back in the late '80s, which saw two voodoo flicks within seven months of each other: 1987's

The Believers, in which Martin Sheen's wife faced death by blender in the first five minutes, and 1988's *The Serpent and the Rainbow*, in which Bill Pullman got a nail driven where a man never wants a nail driven. I'm not a fan of either movie, but they had a zesty ludicrousness. The same can't be said for *The Skeleton Key*, which spends a lot of its time distancing itself from the very subject that ostensibly sets it apart.

Kate Hudson, who just a few years ago seemed poised for better things, is kindly nurse Caroline Ellis, who doesn't like it when her patients die alone and unmourned. So she answers an ad for a caretaker in New Orleans. Her charge is a retired antiques dealer, Ben (John Hurt), who suffered a debilitating stroke in his attic and is not expected to live much longer. Ben's wife Violet (Gena Rowlands, whose choice of good projects has fallen tragically since John Cassavetes died) seems vaguely sinister; she is described as "old South" despite not having much of an accent. She hires Caroline warily, entrusting her with a key that opens every door in the house *except one*.

Spooky things happen. Ben seems agitated; he scrawls "HELP ME" on his sheets, then tries to escape out of his second-floor window. Could Violet be trying to kill Ben? Why are all the mirrors in the house locked away? What, if anything, does this have to do with a pair of voodoo practitioners who, back in the '20s, were found trying to teach an ancient ritual to a couple of children and were then lynched? Sadly, I can't answer these questions, but I can ask another one: If a character who has been a nonsmoker throughout the movie dramatically lights a cigarette at the end, wouldn't he or she at least cough a little? Last time I chatted with the Surgeon General, smoke has the same effect on lungs regardless of supernatural influence.

The Skeleton Key might have made for a gripping 44 minutes on *The Twilight Zone* or *The X-Files*. Drawn out to an hour and 44 minutes, it dawdles far too long on scenes between Caroline and a nice young lawyer (Peter Sarsgaard), or scenes in which Caroline basically takes a self-taught Voodoo for Dummies course. The problem with voodoo as a movie subject, of course, is that its creepiness comes enfolded in black skin, which might've gone over back in the days of *I Walked with a Zombie* (1943) but comes off tacky (to say the least) today. The movie, as I said, approaches voodoo glancingly, somewhat reverently, as if to mute the forbidden electricity that voodoo films used to have: Politically correct or not, the terror in the material derived from a white person walking among incomprehensible black people who did incomprehensible things and knew the secrets of death and beyond. *The Skeleton Key* glides over this by having an old white woman, Violet, as the conduit for supernatural mischief. Then the twist ending twists that around.

Hudson tries, but seems somnambulistic, as if Caroline were afflicted with the walking death even before arriving in New Orleans. Rowlands and Hurt, sadly, must probably take what they can get in the twilight of their careers; in Hurt's case, what he can get amounts to frantic gesticulating and grunting. The scares are very few and far between, the standard musical stings and people popping up where, at this point in horror-film history, you absolutely expect them to be. The voodoo lore is sketchy (it can't hurt unbelievers, except when it can), the plot obviously little but build-up to the big reveal. *The Sixth Sense* made millions by serving the supernatural with a twist six years ago, and we're still living with the aftermath.

SALOME'S STARS

ARIES (March 21 to April 19) A previous misunderstanding continues to taint the atmosphere to some extent in the early part of the week. But cooler heads prevail, and the situation eases by week's end.

TAURUS (April 20 to May 20) While the artistic aspect of the Divine Bovine is well-served this week, that practical side is also getting the sort of recognition that could lead to a new and well-deserved opportunity.

GEMINI (May 21 to June 20) With home-related matters taking on more importance this week, now could be the time to make some long-deferred purchases. But shop carefully for the best quality at the best price.

CANCER (June 21 to July 22) Congratulations. While that family problem might still rankle, it should be easing thanks to your efforts to calm the waters. Also, a workplace situation seems to be moving in your favor.

LEO (July 23 to August 22) The Big Cat's energy levels should be rather high these days, and you might do well to tackle any tasks that still need doing. This will clear the way for those upcoming projects.

VIRGO (August 23 to September 22) Someone's criticism might not be as negative as you perceive. Actually, it could be helpful. Discuss the matter with your critic, and you both could learn something valuable.

LIBRA (September 23 to October 22) A business matter could cause some friction among your colleagues. But once again, that logical mind of yours comes to the rescue. And the sooner it does, the better!

SCORPIO (October 23 to November 21) There might still be some heated temper flare-ups out there. But your sensible self should advise you to stay out of these situations until things cool down and calm is restored.

SAGITTARIUS (November 22 to December 21) Changing your mind could be the right thing to do if you can't resolve your doubts. You might want to discuss the matter with someone whose advice you trust.

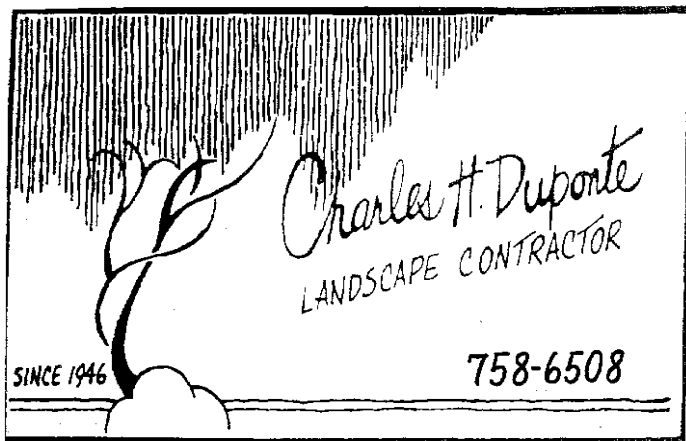

CAPRICORN (December 22 to January 19) The Sea Goat's merrier side dominates this week, and this means that, despite your usual busy schedule, you'll be able to squeeze in parties and all sorts of fabulous fun times.

AQUARIUS (January 20 to February 18) An educational opportunity could lead to something other than what you had planned. But keep an open mind, and before you decide to turn it down, check it out.

PISCES (February 19 to March 20) The Piscean wit and wisdom helps you work through a situation that might have been accidentally or even deliberately obscured. What you unravel could prove to be very revealing.

BORN THIS WEEK: Loyalty is important to you. You demand it, but you also give it generously and lovingly.

The applicant shall prepare a circulation study both within the site and as it may affect the surrounding areas, including estimates of total automotive trips generated, peak hour demand, present and anticipated traffic volumes on adjoining streets, existing street</p>	<p>capacities and other elements which may influence and be influenced by the development;</p> <p>3. A traffic impact study conducted as part of an Environmental Assessment required pursuant to this section shall consider the following:</p> <p>i. Analysis of roadways that may be influenced by the project. These roadways can be considered as adjacent roads and major intersections;</p> <p>ii. The analysis shall be completed for the estimated year of completion, or in the case of phased developments, for the first phase, with the understanding that each subsequent phase shall require an independent analysis; and</p> <p>iii. Analytical efforts shall consider the following: Safety including accident data, sight distances, roadway conditions, etc; Capacity analysis using Transportation Research Board Report No. 209; Existing volumes (traffic counting); Site-generated and future traffic; and planned transportation improvements.</p> <p>4. A copy of any covenants, deed restrictions or exceptions that are intended to cover all or any part of the tract;</p> <p>5. All calculations necessary to determine conformance to bylaws and regulations;</p> <p>6. A survey prepared by a Massachusetts licensed surveyor shall accompany the site plan and shall show the boundaries of the parcel and the limits of all proposed streets, recreation and conservation areas and other property to be dedicated to public use;</p> <p>7. The names and addresses of all abutters; and</p> <p>8. Such other information as may be required to show that the details of the site plan are in accordance with applicable standards of the zoning bylaw.</p> <p>Boston, Massachusetts</p> <p>The foregoing amendments to the bylaw was adopted under Articles S19, S21, S30, S31, S32 and S33 of the town bylaw of the warrant for the Annual Town Meeting that convened on April 25, 2005 are hereby approved.</p> <p>THOMAS REILLY, ATTORNEY GENERAL Kelli E. LEGAL NOTICES	LEGAL NOTICES	LEGAL NOTICES
<p>Attorney General's Notice pursuant to G.L. c. 40, S32, as amended by Chapter 299 of the Acts of 2000 Town of Mattapoisett - Case No. 3374 Annual Town Meeting of May 9, 2005 Article # 11 Attorney General's Authority to Waive Procedural Defects in the Notice of the Planning Board Hearing Pursuant to the provisions of G.L. c. 40, S32, as amended by Chapter 299 of the Acts of 2000, if the Attorney General finds there to be any defect in the procedure of adoption or amendment of any zoning by-law relating to the form or content of the notice of the Planning Board hearing prescribed by G.L. c. 40A, S5, or to the manner or dates on which said notice is mailed, posted or published as required by that section, then instead of disproving the by-law or amendment by reason of any such defect, the Attorney General may elect to proceed under the defect waiver provisions of G.L. c. 40, S32. Under those provisions, the Attorney General is conditionally authorized to waive any such defect. Defect Determined in Notice of Planning Board Hearing The Attorney General has determined that one or more of the notice requirements for the Planning Board Hearing relating to the above Article(s) failed to comply with the notice requirements for such hearing as set forth in G.L. c. 40A, S5. Section 5 provides in part: No zoning ordinance or by-law or amendment thereto shall be adopted until after the planning board in a city or town, and the city councilor or a committee designated or appointed for the purpose by said council has each held a public hearing thereon, together or separately, at which interested persons shall be given an opportunity to be heard. Said public hearing shall be held within sixty-five days after the proposed zoning ordinance or by-law is submitted to the planning board by the city councilor or selectmen or if there is none, within sixty-five days after the proposed zoning ordinance or by-law is submitted to the city councilor or selectmen. Notice of the time and place of such public hearing, of the subject matter, sufficient for identification, and of the place where texts and maps thereof may be inspected shall be published in a newspaper of general circulation in the city or town once in each of two successive weeks, the first publication to be not less than fourteen days before the day of said hearing, and by posting such notice in a conspicuous place in the city or town hall for a period of not less than fourteen days before the day of said hearing. Notice of said hearing shall also be sent by mail, postage prepaid to the department of housing and community development, the regional planning agency, if any, and to the planning board of each abutting cities and towns. In the packet of materials sent to us for review, the notice of the planning board hearing that was posted for Article 11 was posted and published on April 14, 2005, and the hearing was on April 27 and 28, 2005, with the first discussion of Article 11 occurring on April 27, 2005. The notice was posted and published only thirteen days before the hearing; however, G.L. c. 40A, S5, requires the notice to be posted and published fourteen days before the hearing. This is a defect that may result in a procedural disapproval by this Office. Other than this procedural defect, the notice in all other</p>	<p>respects complied with the requirements of G.L. c. 40A, S5. Attorney General's Election to Proceed Under the Waiver Provisions of G.L. c. 40, S32 The Attorney General has elected to proceed under the defect waiver authority conferred by G.L. c. 40, S32, as amended by Chapter 299 of the Acts of 2000. Suspension of Review of Zoning By-Law Amendments The 90-day period prescribed by law for the Attorney General's review of local by-laws is therefore suspended in accordance with the provisions of G.L. c. 40, S32, as amended by Chapter 299 of the Acts of 2000. Posting and Publication of This Notice The Town Clerk shall post a true copy of this Notice in a conspicuous place in the Mattapoisett Town Hall for a period of not less than 14 days and shall publish a copy hereof once in a newspaper of general circulation in the Town of Mattapoisett. Filing of Claim That Defect in Notice Was Misleading or Otherwise Prejudicial Within 21 days of the date on which this Notice is published in a newspaper of general circulation in the Town of Mattapoisett, any resident of the Town of Mattapoisett, or the owner of any real property in the Town of Mattapoisett, or any other party entitled to notice of the planning board hearing may file with the Town Clerk a written statement that the notice defect was misleading or otherwise prejudicial. The statement must set forth the reasons supporting the claim that the defect in the Planning Board Notice was misleading or otherwise prejudicial. This statement must be actually on file with the Town Clerk not later than 21 days from the date on which this Notice is published in the newspaper. Town Clerk's Certification of Compliance with This Notice Forthwith after the expiration of the 21-day period in which any claim may be filed, the Town Clerk shall submit to the Attorney General a true copy of this Notice endorsed with a certification of compliance with the publishing and posting requirements of the preceding paragraph, and a certification that either (a) no claim was filed within the 21 day period, or (b) one or more claims were filed within the 21-day period. The Town Clerk shall submit to the Attorney General true copies of any such claim(s). Resumption of Attorney General's Review Upon receipt of one original copy of this Notice with the Clerk's certification endorsed thereon, the 90 day period provided for the Attorney General's review under G.L. c. 40, S32, shall resume; but if the expiration of the 90 day period is less than 10 days from the date on which the Attorney General receives from the Town Clerk such Notice and certification, then the review period shall be extended to the tenth day following such receipt. If no claim is made, the Attorney General may waive any such defect; if any claim is made, however, the Attorney General may not waive any such defect. Note: by not filing a claim under this provision, a person shall not be deprived of the right to assert a claim of invalidity arising out of any possible defect in the procedure of adoption or amendment, as provided in G.L. c. 40, S32, and in G.L. c. 40A, S5. North Rochester Church

The North Rochester Congregational Church located on North Avenue welcomes everyone to worship at 10:00 am every Sunday. The pulpit is filled by volunteers from the congregation or guest speakers. Music is provided by organist Denise Wright, who also organizes special music programs from time to time.

On the second Sunday of the month, following the service, everyone is invited to join together for food and fellowship at a brunch prepared by the members of the congregation. The church is handicap-accessible. For more information on special events or changes to the schedule, please call Barbara Besse at 508-763-8838.

Upcoming speakers include:

- August 21: Reverend Dr. Kathy Gayoski;
- August 28: Paul Harrison.

Voice of the Faithful

The SouthCoast Chapter of Voice of the Faithful (VOTF) will be meeting on Thursday, August 18, 2005 at the Friends Meeting House, 103 Marion Road (Route 6) in Mattapoisett from 7:00 to 9:00 pm. The guest speaker will be Margaret Roylance, Chairman of the VOTF National Structural Change Working Group. The title of her talk is "What Does VOTF Mean by Structural Change and How to Achieve It?" For more information, visit www.votf.org, or e-mail wsbamb@verizon.net. All are welcome to attend.

seminar titled "The Parish of Tomorrow." It will be held on Sunday, September 11 at the Morse Pond School, 323 Jones Road in Falmouth from 1:00 to 4:00 pm.

A panel consisting of religious, lay people and clergy, will discuss the challenges facing Catholic parishes, and the responsibility the laity and the clergy have to work together to deal with them. These challenges include a rapidly declining number of priests, communication issues, expansion/contraction of facilities as well as a drop in financial support in parishes.

Father John O'Malley, SJ, a distinguished theologian, will be the keynote speaker. Father O'Malley, a faculty member at the Weston Jesuit School of Theology, received his doctorate from Harvard University and has
